Your 2210-Park, July 15, 1944, YON SHEE or YUEN SHEE.

ATTENTION: J.C. Nichol, Chief
Nationality and Status Section.

Reference is made to your communication as noted above requesting information as to the evidence presented by Yuen Shee at the time of her admission at this port April 8, 1924, that she was married.

Our records show that Yuen Shee was admitted at this port April 8, 1924, by a Board of Special Inquiry. At this time there was no evidence presented to show her marriage to Gee Park. Her husband appeared as a witness in her behalf and stated that he married Yuen Shee, December 10, 1915, in Chong Sing village, S.N.D., China, and at that time he indicated he had one son, Gee Fat, age 9 years, born November 21, 1916, and one daughter, Gee Hai, age 7, born February 14, 1918. Our records reflect that these children were admitted with their mother at the time of her admission as indicated above.

Our file covering Gee Park, husband of Yuen Shee, shows that he was readmitted at this port June 7, 1917, and at that time he stated he was married to Yuen Shee, age 22, at that time living in China. He also stated he had one child, a son, Gee Fat, age 2, born November 21, 1916, also living in China.

- REPORT--

3/27/24.

BY THE CHAIRMAN:

These applicants are seeking admission as the wife, son and daughter of Gee Park, alias Gee Lip Ong, an alleged native, whose status was conceded by this office when he was granted a favorable endorsement on his application, Form 430, on April 5, 1913.

The alleged husband and father claims to have been born in San Francisco, and his file #16243/6-29 shows him to have made one trip to China, departing from this port, August 25, 1915, and returning on the "Siberia Maru", June 7, 1917. This trip made possible the paternity of the two applicants, Gee Fat and Gee Hai. On his return from that trip he claimed to have been married to Yuen Shee, and claimed a son of the name and age of applicant 9-10. The applicant 9-11 was born after the alleged father's return to this country. There is in the file of applicant 10-1, Yuen Shee, a certificate of the Medical Examiner of this Station to the effect that this applicant is affected with uncinariasis which may affect her ability to earn a living. She is therefore, inadmissible under the Immigration Law.

This board has today examined the alleged father and identifying witness, and applicant 10-1, the other applicants being too young to testify. All testimony is in good agreement, and I am convinced the applicants have reasonably established their claimed relationship to Gee Park, - alias Gee Lip Ong, a citizen of the United States, and I move they be admitted as the wife, son and daughter respectively of a citizen.

By Inspector Wessling: I second the motion.

By Member Allen: I concur.
