Re: Naturalization of Julian Beresniewicz

Dear Sir or Madam:

We are attorneys for Mr. Julian Beresniewicz, and should have a G-28 form on file with you. Enclosed please find a completed N-400 form, along with two photographs and a money order for \$95.

As Mr. Beresniewicz is 91 years of age, no finger prints have been included with the application. Mr. Beresniewicz does not speak the English language, and we request his exemption from any examinations during or after his naturalization interview. Also, due to his poor health, we request that, if possible, Mr. Beresniewicz be exempted from the naturalization interview altogether or that an alternative interview be arranged in Rochester, New York. Please advise us if there is any possibility of making such arrangements.

Mr. Beresniewicz plans to travel to Poland, health permitting, for an extended stay with family once his naturalization is complete. Although we are aware that naturalization applications are processed on a first-come first-serve basis, we request that if an interview is required for Mr. Beresniewicz, that it be scheduled on the earliest possible date.

Please contact me if you have any questions regarding this application and to advise us on approximate processing time. Thank you.

Very truly yours,

KNAUF & CRAIG, LLP

IMPORTANT INFORMATION

GENERAL: A permit to reenter has no effect under the immigration laws except to show that the person to whom issued is returning from a temporary visit abroad and relieve him of the necessity of securing a visa from an American Consul before returning to the United States. It does not relieve him from meeting the other requirements of the immigration laws. Persons who have been convicted of or admit having committed a felony or other crime or misdemeanor involving moral turpitude either before or after entering the United States, other criminal, immoral, insane, mentally or physically defective aliens, those afflicted with loathsome or contagious diseases, and others found to be inadmissible under the immigration laws are subject to exclusion if attempting to reenter, notwithstanding they may be in possession of permits to reenter.

EFFECT OF ABSENCE FROM UNITED STATES UPON NATURALIZATION ELIGIBILITY: A permit to reenter does not relieve the person to whom issued from meeting the requirements of the naturalization laws. Notwithstanding the possession of a reentry permit, absence from the United States by an applicant for naturalization for a continuous period of one year or more during the period for which continuous residence in the United States is required for admission to citizenship will break the continuity of such residence, except where, prior thereto, the Attorney General has approved an absence in the employment of, or under contract with, the United States Government or an American institution of research recognized as such by the Attorney General, or in the employment of an American firm or corporation engaged in whole or part in the development of foreign trade and commerce of the United States or a subsidiary thereof, more than 50 percent of whose stock is owned by an American firm or corporation, or in the employment of a public international organization of which the United States

is a member by treaty or statute and by which the alien was not employed until after being lawfully admitted for permanent residence. In order to qualify for such approval the applicant must have been physically present and residing in the United States, after being lawfully admitted for permanent residence, for an uninterrupted period of at least one year. The granting of such approval does not exempt the applicant from the requirement that he be physically present in the United States for at least one-half of the period of residence required for naturalization except in the case of those persons who are employed by, or under contract with, the Government of the United States; those persons who are authorized to perform the ministerial or priestly functions of a religious denomination having a bona fide organization within the United States, and those persons who are engaged solely by a religious denomination or by an interdenominational mission organization having a bona fide organization within the United States as a missionary, brother, nun, or sister. Such approval should be applied for on Form N-470, "Application to Preserve Residence for Naturalization Purposes (under section 316 (b) or 317, Immigration and Nationality Act)" available at any office of the Immigration and Naturalization Service.

Aliens who are absent in connection with or for the purpose of performing the ministerial or priestly functions of a religious denomination having a bona fide organization in the United States, or who are engaged by such a denomination or an interdenominational mission organization having a bona fide organization within the United States, as a missionary, brother, nun, or sister, are also eligible to make such application. Such aliens may acquire the required one year of uninterrupted physical presence after the absence.

EXTENSIONS: The validity of a permit may, on good cause shown, be extended for a period or periods not exceeding one year from the original expiration date.

Application for extension must be made prior to the expiration date shown on this permit. The application should be submitted 30 to 90 days prior to the expiration date.

The application must be made on Form I-143,
"Application for Extension of Permit to Remain the
United States," and must be accompanied by the
application fee as the fee specified in the instructions

for the permit. Application may be submitted from the issuing office, or from any office of the Immigration and Naturalization Service having jurisdiction over the place in which the applicant is temporarily residing. It may also be obtained from any other office of the Immigration and Naturalization Service.

For further information concerning the application for extension of a permit to remain the United States, see the Immigration and Naturalization Service Circulars covering

The application may be obtained from the issuing office shown on Page 2 or from the office of the Immigration and Naturalization Service having jurisdiction over the place in which the applicant is temporarily sojourning abroad. It may also be obtained at some United States consular offices.

If validity of the permit or extension thereof has expired, the alien must obtain an immigrant visa from an American Consul before embarking for the United States.
