Dear Sir:

Reference is made to your recent correspondence regarding your eligibility to file a petition for naturalization.

You are informed that Section 316 of the Immigration and Nationality Act reads in part "Absence from the United States for a continuous period of one year or more during the period for which continuous residence is required for admission to citizenship (whether preceding or subsequent to the filing of the petition for naturalization) shall break the continuity of such residence"; therefore it appears you will not be eligible to file a petition for naturalization until you have been back in the United States four years and one day since your last entry into the United States.

You may if you wish resubmit your application on or after March 22, 1966.

Sincerely,

Dominick F. Rinaldi

Dear Sirs.

In reference to your letter of November 10, 1964 Emmanuel Makis absence of more than one year was due to illness. He reported to the United States embassy in Athens and they gave him a six month extension of his visa. If it is necessary or helpful he can submit a Doctor's certificate of this. If he was to submit a certificate of this kind will he now be eligible. Thanking you I am
