Sir:

In regards our telephone conversation, please be advised that in the case of File #A12309319N-600 the marriage certificate of my parents is impossible to obtain. They were married in Austria Hungary which country has ceased to exist, the incidence of wars and change of government has resulted in a dearth of records.

As I have told you I have in my possession my father's Passport #67258 dated Mar. 13, 1903 and also a duplicate of his Citizenship Papers, issued by the Clerk of the Southern District of District Court of New York issued 14th. day of June 1906 which duplicate is made for Citizenship Papers dated July 19, 1900. This duplicate was obtained by my father when his original Citizenship Papers were lost.

I wish to call to your attention the fact that the spelling of my fathers name was Johan Czabala, which americanized became Cabala.

There is also a friend of mine who can attest to my fathers citizenship and other pertinent facts.

Yours truly,
