REPORT AND RECOMMENDATION ON APPLICATION

On the basis of the documents and records examined, my examination of the applicant, and the examination(s) of the person(s) named below, I find that the facts and conclusions set forth under oath in this application are true and correct; that the applicant did ~~then being of a race eligible for naturalization~~ derive or acquire United States citizenship on Jan. 7, 1913 through (Month) (Day) (Year)

her marriage to David Popkin, who was then a citizen of the United States through naturalization on June 13, 1896.

and that he has not (has) (has not) been expatriated since that time. I recommend that this application be granted (granted, denied)

and that an A (A or AA) Certificate of Citizenship be issued in the name Lena Popkin.

applicant's legal name acquired through marriage

(At birth, through marriage, by court order, or State law. Fill in applicable words and explain if by court order or State law.)

The application does present a prima facie case of citizenship.

1) Form N-25 - record of husband's naturalization.

(Documents examined in addition to those listed in Item 14)

Person Examined	Address	Relationship to applicant	Date testimony heard
Mary Raink Feinstein	23 Sagamore St., Lynn, Mass. (temporarily at 1040 Euclid Ave., Miami Beach, Fla.)	sister	4/6/61

(Testified to knowing Mr. Popkin, app's husband, since 1912 and until his death in 1927 and that applicant was David Popkin's wife from 1/7/13 to his death.)

(Based on statement in MC showing marriage to app as David Popkin's second marriage, and proof of ceremonial marriage, I indulge presumption of validity of marriage of app to Popkin)
